SYNOPSIS

Recently divorced and reeling, Edgar returns to his childhood home to regroup his life. When Edgar finds a nefarious looking puppet in his deceased brother's room, he decides to sell the doll for some quick cash.

Girl-next-door Ashley and comic book pal Markowitz join Edgar for a doomed road trip to an auction at a convention celebrating the 30th Anniversary of the infamous Toulon Murders. All hell breaks loose when a strange force animates the puppets at the convention, setting them on a bloody killing spree that's motivated by an evil as old as time.
